

# Passenger Bulletin

## Cash Fare Payment Procedure

**Due to current COVID-19 conditions SouthLink are implementing the following procedures to eliminate cash handling between our Passengers and Drivers on SouthLink Country Services.**

- Until further notice Passengers paying onboard with cash are required to have correct change for their fare. Drivers will not be handling cash and issuing change.
- Cash paying Passengers are required to please show the Driver your money and drop it into a bag presented by the Driver. This will eliminate the need for a Passenger or Driver to touch the bag during the transaction.
- Passengers with a multi-trip ticket please present it to the Driver for punching.
- Passengers can also pre-purchase tickets over the phone by calling your local depot.

Mt Barker 8339 7544

Adelaide Metro no longer accepts cash.  
Please click on link for further information.
